

Hykeham Sailing Club - Ready to Sail Again

We have now developed a plan in line with the Governments Road Map for recovery. Please note that this is an initial plan. Each step will be in line with Government announcements, so dates are set in jelly rather than concrete!

Until 29th March, you may only visit Apex lake for essential maintenance or to collect personal items.

Step 1 - From 29th March

Organised outdoor sport is allowed and is not subject to gathering limitations, but once on land, this is classified as social gathering and is limited to 6 individuals or 2 households. Social Distancing continues.

You may sail casually and the race programme will start on **Easter Sunday 4th April**. This will be the scheduled race as per the original calendar, the Commodores Cup will be held at the beginning of May. Committee boat and Club Rescue Boat may be used. Remember PPE Box and continue to sign the register of use.

Access to the clubhouse is for use of the Disabled Toilet only, the shower in this room may be used in an emergency. No access to the other changing rooms, galley or rest of the clubhouse, unless this is to collect keys / equipment or first aid.

During breaks on land, please ensure that you do not gather in groups of more than 6 individuals.

Track & Trace is still a requirement. Use the QR code with the NHS app or the paper sign in sheet.

Step 2 – No earlier than 12th April

Outdoor Hospitality is allowed, so we will be able to serve refreshments to seated groups of no more than 6 at a table. No Indoor mixing. Still no Changing Rooms/Showers (see note below).

Re-Discover Sailing Day - Saturday 1st May – hopefully with a socially distanced BBQ
Commodores Cup - 2nd May, complete with a free lunch & **Prizegiving**

NB: Although the RYA have indicated that changing rooms may open, our current understanding is that this would only be for individual or single household use and not for shared use. We are seeking guidance on this, but we anticipate changing rooms/showers will remain closed.

Step 3 – No earlier than 17th May

From Step 3 we hope to be able to open the changing rooms and showers.

6 individuals or 2 households may meet indoors and up to 30 people may gather outdoors. Seated Indoor hospitality – access to the galley may be permitted.

22nd / 29th May – Members Training

29th May – Juniors Restart

5th June - Discover Sailing Open Day

19th June – Streaker Open
